

Leo Tan

BAND STORY

"Growing up in a musical family on the Island of St Maarten, Leo Tan was gifted with the ability to sing and play instruments. At age five he was taught to be play guitar by his father and was singing along with the family band for social gatherings and family reunions. Shortly after he got involved singing and playing for weddings and Gospel events in St Maarten and other Caribbean Islands. As the years went by he became a driving energy of musical skills, styles, and singing versatility. With his powerful voice and skills of changing his character in his songs, he sings ALL his backing vocals and rips up his tracks with his ragga toasting, sounding like someone else rolling with him in his tracks. Leo Tan continued with his career performing for Carnival and other Caribbean festivities, playing electric guitar, and singing for Reggae, and Dancehall repertoires. He won many competitions on the Islands and continued doing so. However, doing all of these things Leo-Tan was not satisfied with the progress and support of the locals, so he left in 1991 to The Netherlands. Ever since then he was involved with numerous projects, performances and interviews in The Netherlands, and nearby countries. Leo Tan was nominated an requested to add two of his songs on the BoomShots album of 2006, "the best of the underground" for the gospelreggae.com organization in LA. Leo-Tan is presently busy doing some collabs with different artists, writing, composing, producing, and giving vocal coaching for artists and Gospel groups. He has written many wonderful songs of his own that has not been exposed yet, but is busy getting this done. Leo Tan is presently busy with one of Holland's
